Design

Fabrication

**Lines of
Business**

Industry

- Oil & Gas
- Refineries
- Petrochemical
- Power
- Onshore
- Offshore

Over 30 Years of Excellence in providing process cooling, gas compression, natural gas processing and tank cooling solutions for the Oil & Gas, Refinery, Petrochemical and other Industries.

Technologies

- Process refrigeration
- Dew point control
- Chiller units
- Gas compression

- BOG & VRU
- Fuel gas conditioning
- LPG and condensate recovery
- Low temperature separation

- Ammonia liquefaction in fertiliser plants
- Air cooling for gas turbine inlet air
- Storage tank cooling

Gas Treatment

Process Cooling

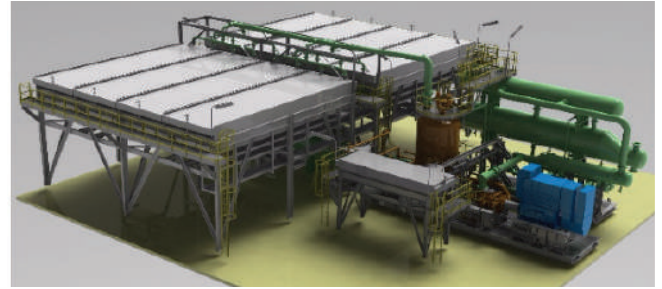

Compression

Expertise:

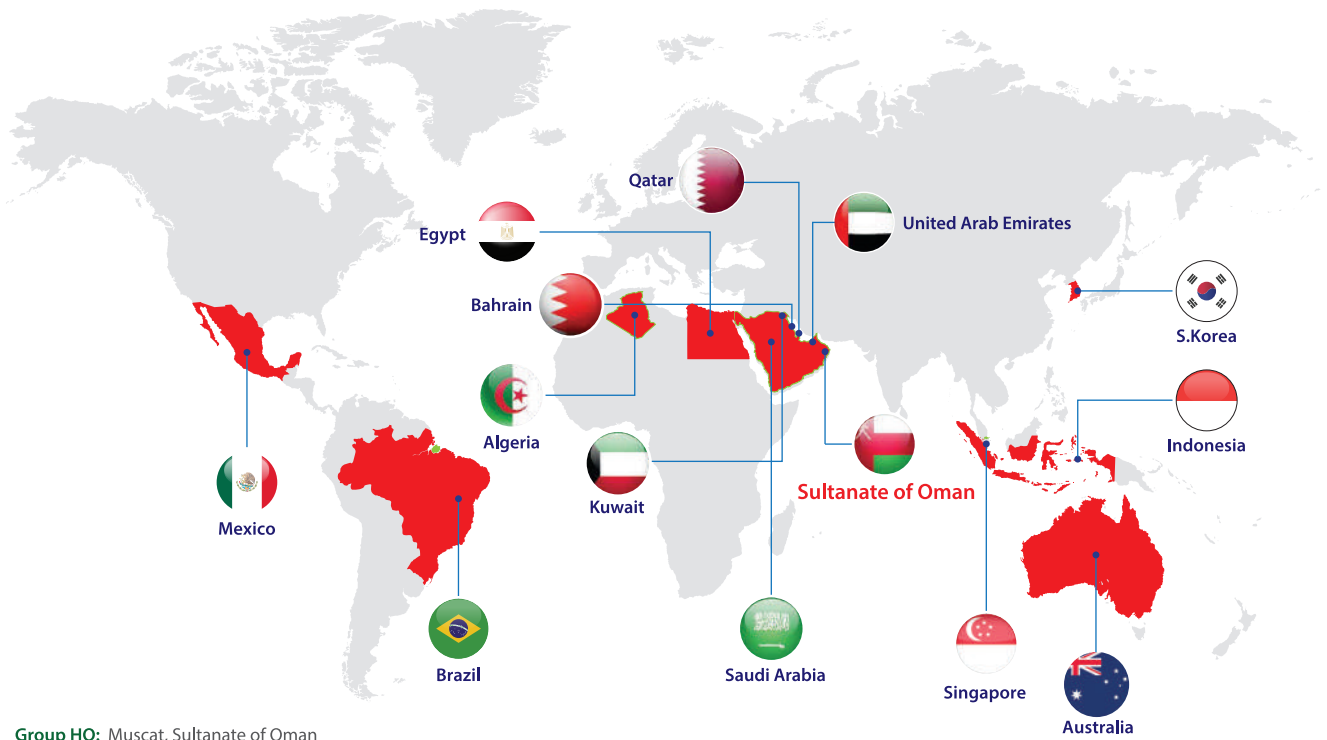

- Established in 1987, REI Process provides custom designed and fabricated process cooling, gas compression, natural gas processing and tank cooling solutions for the Oil & Gas, Refinery, Petrochemical and other Industries.
- We offer complete in-house engineering, design and execution model to meet varying customer and client needs. We take pride in our ability to provide our clients with solutions that are engineered and designed to meet specific requirements.
- We provide either complete skid mounted packages or a range of services to enable our designs to be incorporated into a larger package.
- We utilize the STS specialized fabrication workshops in the Middle East, as well as options for other locations worldwide to suit specific project requirements.

Providing Custom Designed Solutions:

- In-house Engineering & Design
- Global fabrication base
- Site services & commissioning
- Troubleshooting & Performance Reviews
- Training
- After sales support and spare parts

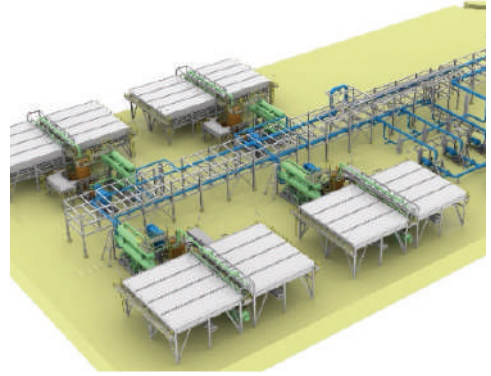

International Operations & Our Footprint

The following range of our products is indicative of REI Process's unique design, engineering and fabrication capabilities

Technologies / Products:

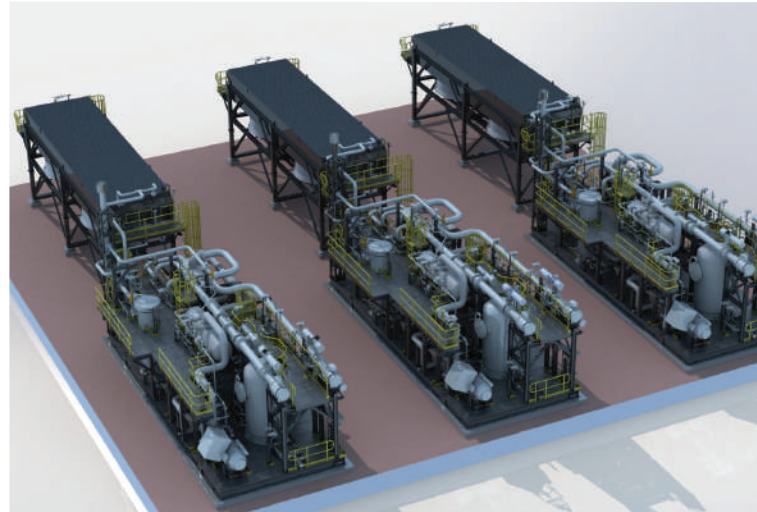

- Process refrigeration
- Dew point control
- Chiller units
- Gas compression
- BOG & VRU
- Fuel gas conditioning
- LPG and condensate recovery
- Low temperature separation
- Ammonia liquefaction in fertiliser plants
- Air cooling for gas turbine inlet air
- Storage tank cooling

Compression:

At REI Process we take a flexible approach to designing the compression package needs to match the specific client requirements. Some of the Compressor manufacturers we support include:

- Howden
- Mycom
- Kobelco
- GEA
- Atlas Copco
- Frick
- Burkhardt
- Aerzen
- Knox Western

Our Projects

Landmark Projects – Last 10 Years

YEAR	PROJECT	CLIENT	END-USER	LOCATION	SCOPE OF SUPPLY
2019	New Pitch Singapore Project a	Linde AG	Linde Gas / Exxon Mobile	Singapore	Refrigeration System
2018	FPSO Guanabara MV31	MODEC	Petrobras	Brazil	Refrigeration System
2018	GC-32	Petrofac	Kuwait Oil Company (KOC)	Kuwait	Refrigerant Transfer System Tank Storage
2018	FPSO Carioca MV 30	MODEC	Petrobras	Brazil	Refrigeration System
2017	Salalah LPG	Petrofac	Oman Gas	Oman	Refrigeration System
2017	Sonker Bulk Liquids Terminal	Petrojet	Sonker Energy	Egypt	Gas Compression Package BOG Recovery Unit Refrigeration System Tank Storage
2017	Orbost Gas Plant Upgrade	Worley Parsons	Cooper Energy	Australia	Dew Point Control Unit Refrigeration System
2015	QCLNG Upstream Phase II	QGC Pty Limited	Shell	Australia	Dehydration System Dew Point Control Unit Refrigeration System
2015	KNPC Clean Fuels Project	JGC Corporation	Kuwait National Petroleum Company (KNPC)	UAE	Chiller Refrigeration System
2015	SAMAC MMA/PMMA Project	CTCI Corporation	SABIC	Saudi Arabia	Refrigeration System
2014	Safah Gas Plant	Occidental of Oman Inc.	Occidental Petroleum Company (Oxy)	Oman	Refrigeration System
2014	Gorgon Barrow Island Project	Procom	Chevron	Australia	Refrigeration System BOG Recovery Unit Tank Storage
2014	Matindok Donggi Project 5	PT. Rekayasa Industri	Pertamina	Indonesia	Dew Point Control Unit Refrigeration System
2014	AKKAS Gas Field Project	Daewoo Engineering & Construction Co	Korean Gas Corporation (KOGAS)	Iraq	Gas Compression Package Refrigeration System
2014	Jazan Refinery	JGC Corporation	Saudi Aramco	Saudi Arabia	Refrigeration System Chiller
2014	Zauliyah Gas Compression Project	Frames	Petroleum Development Oman (PDO)	Oman	Dew Point Control Unit Refrigeration System
2013	Saudi Elastomers Project (SEP) EPDM and PBR Facilities	Tecnicas Reunidas (TR)	SABIC	Saudi Arabia	Chiller
2013	Saudi Elastomers Project (SEP) EPDM and PBR Facilities	Tecnicas Reunidas (TR)	SABIC	Saudi Arabia	Refrigeration System
2013	FPSO Cidade de Saquarema	SBM Offshore Group	Petrobras	Brazil	Dew Point Control Unit Refrigeration System
2013	FPSO Cidade de Marica	SBM Offshore Group	Petrobras	Brazil	Dew Point Control Unit Refrigeration System
2012	Sadara Project	Linde AG	Saudi Aramco	Saudi Arabia	Refrigeration System BOG Recovery Unit Liquefaction System
2012	EVA Plant & Utilities Project	GS Engineering & Construction	Siphem		Tank Storage Refrigeration System
2012	Petroleum Development Oman (PDO)	Process Group	Petroleum Development Oman (PDO)	Oman	Dew Point Control Unit Refrigeration System
2011	FPSO Cidade de Ilhabela	SBM Offshore Group	Petrobras	Brazil	Dew Point Control Unit Refrigeration System
2010	Minerva Gas Project	Process Group	BHP	Australia	Refrigeration System
